THE PERIOD FOR RESPONSE: [check only a) or b)]

a) ☒ expires 3 months from the mailing date of the final rejection.b) ☐ expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.

Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above.

☐ Appellant's Brief is due two months from the date of the Notice of Appeal filed on _____ (or within any period for response set forth above, whichever is later). See 37 CFR 1.191(d) and 37 CFR 1.192(a).

Applicant's response to the final rejection, filed on Feb 11, 2000 has been considered with the following effect, but is NOT deemed to place the application in condition for allowance:

☐ they present additional claims without cancelling a corresponding number of finally rejected claims.

NOTE: The proposed claims raise new 112/2nd issues regarding the "co-administered" cells in claim 6. It is unclear whether they are RPE cells or the second cells proposed in claim 3.

☐ Applicant's response has overcome the following rejection(s):

☐ Newly proposed or amended claims _____ would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claims.

☒ The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:

the proposed claims have not been entered and applicants provide many arguments based on the proposed claims. Ye et al. does not teach RPE were identified at 8 mo. after transplantation as newly argued. The pending claims (see

☐ The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.

☒ For purposes of Appeal, the status of the claims is as follows (see attached written explanation, if any):

Claims objected to: _____

Claims rejected: 3-16, 18, 19, and 21-23

☐ Note the attached Information Disclosure Statement(s), PTO-1449, Paper No(s). _____

☒ Other remain rejected under 112/1st for reasons of record. The 112/2nd rejections remain for reasons of record.
